Sie went away, and a forgot al about v. Some months after she appeared with her neighbors and a man, whom she introduced to me as her ans-", concess lat n o come (occurring the hac returned a converted man. On making band. _ P had indeed come back, and no sermons. He read it. The truth went to his It won a be easy to draw a sarcastic bie- leart. I eropenter ago sought the soro. ve ob our agricultura, pastora, and mining time of the contrast between last summer and as soon as possible he returned to bis and this on the Suncay question, but com- wite and to his early calling lie was acwho up to that trace had not been a member, was also received as your us. That woman coes not coubt the power of pracet. At the mucils in the work coale not shake her conviction that there is a God that answereta mayer, _ should be to protomationa creature in the work it, with a life every day of which is ful of expendence so remarkabe, a entertained the sugatest doubt on the subject. I conot regard it as thereen ous, it is There may be those to whom he sum of part and harde of the established order of 'en cents seems so small as to ming the the universe that the shadow of a coming leving sou in the shahe of prayer for realzation. The prayer of faith is a civine ce-

Mr. Spurgeon expressed moseif with great fee ing concerning the Jouncless ove and cevotion with wach he was supported by a.s. congregation. During al tie years of as pastorate le liau never lau trouble in lis ciuici. "Tiey iaid folowed nid forongo are and water," said he, and the tears came into his eyes as he spoke of the enthus asm with which they carried into effect his smallmore surrounced and sorne up on the arms Lam mformed - 120 the county commission- of love and sympathy than fam. Anybody is thrush upon me, whether will or not. 'Se There is no count about the existence and has never led us into a lotter yet,' remarked ever he does we will all eap into the ditcl after him and lave him out on the other side. We will never desert unt? "My dear fellows," sa a ., 't' you on y fe low a proomstick as we i as you to low me, you will do just as we .. The vitue is not in me, on, in your zea, and service.' The astonishing now failufu they have, seen to me. Nor is it only in my church that have much-very much-to be gratefu for. From the mynest in the land to the lowest am constantly receiving tie kindest expressions of sympathy. There et me be i . for many days before a messenger wou a come from Downing street to inquire the local issues of the democrats brought out regard; out as it comes to me must be trangu for it, and try to deserve it." "Lien, Mr. Spurgeon, you have no specific

for the petterment of the world"? "No new specific," said he, "on y to keep on as we are going, only more so. Especially more city miss onaries, more nouse a nouse poor, more he o for the destitute, and never to forget that here religion before Got and the Father is this: to visit the lather ess and w cows in their affiction, and to keep ourselves unspored from the world."

Rev. A. D. Mayo (Initarian) in a recent accress to the theo ogica students of the Divinity school at Meady Le sail :

And t seems more astonishing to me, every year, why we who rejoice in our inspiring taith in Goc's love, he divine collabout and glorious possibilities of man, should not acc to our older glaces is catholicity to see that he Church of Catis, has been righ, in cemanding repentance and newness of life as the condition of all good things here and everywhere. in theory, we have not denied this. Our weathers, in practice, has been that we have emphasized Christian ou ture and the applications of religion more than the prime necessity, conversion. Inless a man is KANSAS CITY, August 4.—The naugura. changes from the concition of least in which
